he

25.4.14

The curriculum now followed in the College was sanctioned in G.O. No. 418 – Mur 4-08-14 & 11.12.08 and was based on the proposals of the then Senior Surgeon and the then Mr. Pandit Mr. Kempa Rama Pandit. (Mur 7 4/08 is not in the perusal) The Senior Surgeon may also be consulted unofficially now also in the matter.

The details of the revised scheme & studies may if approved, be printed at foot of the order sanctioning the same.

RL
19.5.14

There is not much difference between the present curriculum and N excepting that a few text books have been changed – in Ayurveda and some knowledge of English medicine, elementary surgery and anatomy is proposed the in patient.

Office of the Muzrai Superintendent in Mysore.

Dated Bangalore, 20th April 1914.

No. 1734

Encls. one file

From

G. Aravamudu Iyengar, Esquire, B.A., B.L.,

Muzrai Superintendent in Mysore.

To

K.R.Srinivasa Iyengar, Esquire, M.A.,

Secretary to the Government of His Highness the Maharaja of Mysore,

General and Revenue Departments.

Sir,

With reference to your letter No.2486/M.F. 336-13-13 dated 20th March 1914, approving of the formation of a Sub Committee to revise the curriculum of studies in the College, I have the honor to submit herewith a revised scheme of studies received from the Head Master, Ayurvedic College. The proposed curriculum has been circulated among the members of the College Committee and has met with unqualified approval from all the members. The District Medical Officer has not, however, thought it necessary to append any remarks of his own. The proposed course of studies appears to be well - considered and sanction of Government may be accorded to its introduction with effect from the next College year.

I have the honor to be,

Sir,

Your most obedient servant,

G. Aravamudu Iyengar

Muzrai Superintendent.

G.S.K.

Enclosure to D No 1994

In the revised curriculum ಶರೀರ ಕ್ರಿಯೆ is omitted because ಶರೀರಕ್ರಿಯೆ ಮತ್ತು ಶರೀರ treats of the same subject as the other, in a more detailed way. The Portions omitted in ಶರೀರ are treated of in ಶರೀರ. ರೋಗವಿಜ್ಞಾನ is added, as it is found necessary.

Medicine has been added because without it the study of Materia Medica will be not of much use. Elementary Surgery + ambulence are found to be very necessary + therefore added.

Mysore,
1st April 1914

S. Venkoba Rau,
Head Master
+
Secy. Ayurvedic College
Committee
